A little vanity is a good thing, Every woman should try, at all times, to look her very best. That it certainly must be discouraging to have your mirror tell you that your leafr is gray when you are only thirty or fifty! Gray hair adds twenty years to the nge. Why not look as young as you

Always restores color to gray hair, always. Brings back all the deep, rich, heantiful color of early youth. Derhaps the color of your hair suits, but you are losing the hair itself. You are threatened with thin hair, rough hair, seraggly hair. Your hair seems weak, not well nourished. Then give it Ayer's Hair Vigor, a true hair-food. It stops falling hair, makes the hair grow, and keeps it soft and
